#### **Rink Update:**

- WDIR is working with the Bank, Appraiser and Village to finalize the financing. The goal is to have this done by the beginning of May.
- Goal is to have a shovel in the ground early May to have Ice in mid October / early November.
- About \$100,000 short still but that includes many cuts to get costs down. Continuing to fundraise to get remaining funds and are confident it will happen.
- Will add things back in as donations come in (Ammonia System, bleachers, other finishing, etc.).
- There will be many opportunities for sweat equity as project progresses.

#### **User Agreement:**

WDIR will e-mail the User Agreement to Jim Sarnosky who will distribute to the board. The Board approved motion that Jeff Wulf, Jim Sarnosky, and Kevin Fons have the authority to modify and sign the user agreement.

#### **Long Term Rink Donation:**

The Board approved a motion:  
The WYHA agrees to pledge a total of \$100,000 at \$10,000 per year over 10 years, pending a satisfactory user agreement to accommodate current ice and skater needs as well as future growth. The donation will not start until 2011.

#### **Volunteer Hour Changes: (Discussed via e-mail after the meeting)**

Given the fact that a rink may be in place for the 2010-2011 season, the structure of volunteer hours may change significantly. Once we are assured that the rink will be built, the structure of those hours will be emailed out to all club members and will also be posted on our website.
